**CASE NO. 6:07 CV 511
PATENT CASE**

ORDER

The Court has reviewed the parties' P.R. 4-3 Joint Claim Construction and Prehearing Statement (Docket No. 188). There are three patents in suit, two of which have already been addressed by this Court in *Soverain Software LLC v. Amazon.com, Inc.*, 6:04cv14, and thirty terms in dispute. The Court **ORDERS** the parties to meet and confer and narrow the number of disputed terms to a reasonable number. The Court also reminds the parties that the page limits governing dispositive motions pursuant to Local Rule CV-7(a) apply to claim construction briefing and will not be extended absent a showing of good cause. The parties have also requested a full day's time for the claim construction hearing. It is the Court's standard practice to conclude claim construction hearings by lunch. The parties should plan accordingly.

So ORDERED and SIGNED this 17th day of March, 2009.

**LEONARD DAVIS
UNITED STATES DISTRICT JUDGE**
